PREDICTIONS FOR
THE FORTNIGHT
AHEAD FROM
OUR ASTROLOGER
JANE DIMOND

ARIES 21 MARCH - 20 APRIL

Your organisational skills are invaluable before Christmas, and will ensure that your festivities run much more smoothly than Ian Beale's! But as the new year nears, don't let your leadership qualities cross the line into bossiness.

TAURUS 21 APRIL - 21 MAY

Your chart suggests that you'll spend Christmas far away, or your mind will be elsewhere – perhaps focused on a new book, new beliefs or even holiday plans. New Year's Eve looks magical, with your powers of seduction strong.

GEMINI 22 MAY - 21 JUNE

Unconventional Uranus puts you in a quirky mood, and if you try doing things a bit differently this Christmas Eve, a great time is guaranteed. The new year favours travel – ring in 2009 away from home if you can.

JUST TEXT **GEM1** TO 83888

CANCER 22 JUNE - 23 JULY

A new moon over the weekend after Christmas Day suggests the start of a new relationship, or the chance to repair any bust-ups. With the Moon in fellow water sign Pisces as 2009 begins, you'll feel in your element.

JUST TEXT **CAN1** TO 83888

LEO 24 JULY - 23 AUGUST

Regal Leos love lazing around over Christmas, but this year, you're working hard – perhaps it's your turn to cook the turkey? On New Year's Eve, you'll be floating in a winter wonderland, and your partner can do no wrong.

JUST TEXT **LEO1** TO 83888

VIRGO 24 AUGUST - 23 SEP

A fantastic Mercury-Saturn connection gives you a sensible head that enables you to defuse any Boxing Day tension between family and friends. New Year's Day is set to be fun and frivolous – you deserve to let your hair down!

JUST TEXT **VIRGO1** TO 83888

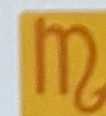

LIBRA 24 SEP - 23 OCTOBER

Fantastic activity in your domestic chart bodes well for a joyous Christmas, full of good cheer. As the new year approaches, Mars' transit threatens ego-induced rows – so be the peace-loving Libra you are and just rise above it.

JUST TEXT **LIBRA1** TO 83888

SCORPIO 24 OCT - 22 NOV

Your cosmic themes this fortnight are energy, power and confidence – use them to help a struggling sibling or neighbour before Christmas. But as 2009 nears, back off a bit, or they could feel you're trying to control them.

SAGITTARIUS 23 NOV - 21 DEC

A boost to your wealth or self-esteem sets you up for a very enjoyable Christmas. However, when the festivities are over, reckless Mars moves into your cash zone – beware of making rash impulse buys in the sales.

JUST TEXT **SAG1** TO 83888

CAPRICORN 22 DEC - 20 JAN

With the Sun in Capricorn, you'll be sparkling on Christmas Day, and Mars will then give you an assertiveness to propel you into the new year and beyond. Only the foolhardy would dare stand in your way!

AQUARIUS 21 JAN - 19 FEB

As Santa prepares for his busiest night of the year, remain open to unexpected changes to your festive plans, which will prove positive. On New Year's Day, you'll be the wittiest person at lunch as Mercury enters Aquarius.

PISCES 20 FEB - 20 MARCH

The cosmos shines brightly on your festivities, which feature friends as much as family. You'll be in a bright, forthright mood on New Year's Eve – but take care not to irritate a friend by being too much of a smarty-pants!

LUCY PARGETER 2 JANUARY

Capricorns are typically shy and reserved, but don't let that fool you

– they're also ambitious and have a steely determination.

Lucy Pargeter went back to playing *Emmerdale*'s Chas just three months after giving birth to her daughter, Lola, and admits: "Working is a big part of my life – I'm such a workaholic, I wasn't happy to just stay at home."

"I'M SUCH A WORKAHOLIC"
